A one-page “clip & copy” overview for police, judges, and government employees that explains the basics of government criminality. PDF version with links to the evidence available for free on our website.

Dear Police, Judges, and Government Employees,
Our sincerest apologies for having to be the ones to explain this but you have been tricked into supporting a system set up by inter-generational organized crime to rob you, your family, friends, and neighbors. “Government” isn’t something that was set up to help or protect society. “Government” is a system that has been used for thousands of years to rob and control society. The root words from Latin are:

Gubernare = “To Control” & Mente = “The Mind” = Mind Control
Organized crime’s mind control program starts with controlling the information you have received since birth through control of education and a weaponized monopoly media and propaganda system. The government’s mandatory “public schools” and accredited private/parochial schools use an educational model developed in 19th century Prussia (now Germany) to indoctrinate a pseudo-religion, Statism, and obedience to an organized crime system that called itself monarchy. When the scam of monarchy / “divine right of kings” was exposed, organized crime developed “democracy” to trick the people into thinking they are in charge but easily controlling the outcome of elections through control of the media, disparity of campaign funds, blackmail, bribery, assassination, and other means. Democracy itself is an illegitimate concept because nothing, not even if the majority believe it to be so, can make something inherently immoral (theft, extortion, caging non-violent individual for victimless crimes, etc.) “moral” just because the majority of people decide to vote for something in a political ritual. Just because the mob wants to lynch black folks or rob Peter to pay Paul doesn’t make those obvious crimes moral just because the perpetrators outnumber their victims.

The “Gubenare Mente” program raised you to believe that it is OK for you to use violence, extortion and taxation (theft) on overwhelmingly peaceful people because some people are tricked into voting for “government”. You have been conned, duped and “chumped” into participating in an obviously immoral system and robbing your friends and neighbors.

What Should You Do? 1. Immediately stop enforcement of victimless crimes and road piracy. 2. Find another job 3. Sabotage any system that lets organized crime rob, tax, track, trace or control peaceful people.

The Basics of “Gubernare Mente”, Voting and Morality

1. If John told you that you had to obey him or he would violate you, that would be wrong

2. Even if John claims that because he and his friends are in the majority, you must obey or be punished, that would still be wrong

3. Even if John and his friends vote to have an institution work on their behalf and you must obey its dictates or be punished, that would still be wrong.

If you understand this basic concept, then you must understand that government neither has the legitimate or lawful right to violate you just because some people decided to vote for it.

1. If you don’t have the moral right to make up rules for everyone (laws) or boss people around or steal their money then you can’t delegate rights that you don’t have yourself to a “representative” or a “government”.
2. If it is impossible for “We the People” to have delegated the ability to rob and control people to government then where did “government” get rights that the people don’t have themselves? Hint: They don’t!, they’re criminals and, mostly, unwitting/willfully ignorant victims of “Gubernare Mente”.
3. The idea that people must pay your salaries, taxes, fines and obey your laws (politician scribbles) because hundreds of years ago a couple of dozen slave owners on a continent of three million people got together in a room and wrote down on a fancy piece of paper that they alone get to make up rules for everyone and steal the wealth of others is ridiculous on its face. No one signed any “social contract”. It’s been a scam from the beginning.
4. Organized crime has been reinforcing this belief system through six monopoly media companies running hundreds of subsidiaries to give you the illusion of choice / diversity-of-information. [Click Here for Evidence.](#)
5. Organized crime controls the content of propaganda through organizations including the CIA, CFR, and Bilderberg Group. [Click Here for Evidence.](#)

JUDGE WORKS FOR THE STATE PROSECUTOR WORKS FOR THE STATE POLICE/WITNESS WORKS FOR THE STATE

The vast majority of the disputes that the police initiate on behalf of their employer are also adjudicated by their employer, where the plaintiff, the judge, the antagonist (the police) and the only witness (also the police), all represent the same party, and, since no corpus delicti, mens rea or acts reus can be produced, doesn't technically qualify to be heard according to its own "laws". The State therefore is indistinguishable from a criminal cartel.

THERE IS ONLY ONE LAW...

DO NO HARM

EVERYTHING ELSE IS TYRANNY

When plunder becomes a way of life for a group of men living together in society, they create for themselves in the course of time a legal system that authorizes it and a moral code that glorifies it.

The Good News Alternative: [Voluntaryism!](#) - The world is a self-organizing system that produces spontaneous order and that all the "services" provided by government - from protection to roads to charity - can be better provided by voluntary interaction, the free market, and real charity.

[Understanding Our Slavery](#) is both a book and series of one-page visual overviews of concepts hidden from the public by inter-generational organized crime that has been controlling the flow of information in society. Their "Propaganda Matrix" includes control of the government, government schools, scouting, intelligence agencies, military and police training, and a weaponized media system of 6 companies running hundreds of subsidiaries to give the population the illusion of choice and diversity-of-opinion while propagandizing, deceiving, and distracting us from the reality of our tax slavery and authoritarian control. These [one-pagers](#) are designed to be printed out and shared but with accessible PDF versions with active hypertext links. We have an 8GB Flash Drive/Dropbox called: [The Liberator](#) with additional evidence of government and media criminality.
