## Executive Summary

*"If you want to rob the world then you have to have meetings." – EdLB2*

In our one-pager: [Control of the Media](#) we featured two 2017 charts showing how just three organizations, the Council on Foreign Relations, the Bilderberg Group, and the Trilateral Commission include in their membership the key publishers, editors, and journalists at essentially every major network, wire service, Hollywood studio, newspaper of record, internet publication, and other sources of "news" and culture creation.

The 2010 chart on the back of this page shows how that control extends to everything from the Presidency, Congress, Judicial, IMF, CIA, FBI and other key positions of power. Here is a short primer on each of these organizations plus others where organized crime recruits, trains, organizes, and gets their membership together for meetings. Just because someone is a member of these organizations doesn't make them a criminal. Many are recruited and found too honest/moral for the higher levels of the program or are dupes used as window dressing I.E. "Porch Masons". The members also undergo classic, unethically manipulative cult indoctrination techniques to assure their conformity to the required control/secretcy.

[The Council on Foreign Relations](#) - "The Council on Foreign Relations is the American branch of a society which organized in England . . . (and) . . . believes national boundaries should be obliterated and one world rule established." [With No Apologies by Senator Barry Goldwater, p 126]

[The Trilateral Commission](#) was formed in 1973 by private citizens of Japan, Europe (European Union countries), and North America (United States and Canada) to foster closer cooperation among these core democratic industrialized areas of the world with shared leadership responsibilities in the wider international system. "The Trilateral Commission is international . . . (and) . . . is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States." [With No Apologies, by Senator Barry Goldwater]

[Bilderberg Group](#) - The Bilderberg is a quasi-secret consortium of international bankers, politicians, academics and business persons who meet annually to plan world economic and political policies. The Bilderberg has no membership per se but attendees who have been invited by the steering committee sometimes year-after-year. American politicians routinely attend even through it violates [the Logan Act prohibiting office holders](#) from conducting secret meetings where policy decisions are discussed and made.

[Freemasonry](#) - Quasi-secret society in that exists publicly but its criminality and secrets are only revealed to higher level members. All are bound to secrecy in a blood oath and members work to advance each other in business and politics especially the courts, [police](#) and local, state and federal governments. Created the 1st "gang sign" the masonic "[Hidden Hand](#)" found in tens of dozens of portraits and photographs of prominent masons including those guilty of the murder of tens of millions through war and forced socialism/communism.

[Skull & Bones](#) - Secret society at Yale University created and endowed by opium dealers ([Russell Trust](#)) that "taps" 15 new members each junior class. Membership includes 3 US Presidents (Bush Sr, Bush Jr. and Taft). The 2004 Presidential election between [Bush Jr and John Kerry](#) was between two members of an organization that has less than 600 living alumni at any one time.

[Bohemian Club](#) - Famous for its roster of past US Presidents, power brokers, and their Bohemian Grove retreat where members encamp in a private, secure redwood grove in California for 2 weeks (3 weekends) in July and burn a child in effigy in an occult ritual known as "Cremation of Care"

**Other Organizations & Groups of Interest:** [Rhodes Scholars](#) - Talent identification and scholarship program for Cecil Rhodes' round table groups bent on bent on Anglo-American domination, [Dual-Citizen Zionist Israelis](#) - Political Zionists invest in American politicians and media companies who then lobby and vote for sending billions in tax-payer dollars to Israel. [Talpiot Companies/CEOs and Sayanim- Berggruen Institute](#) members - Claimed to be the new Bilderberg on their website and then took it down, [Intelligence agency alumni \(I.E. CIA Democrats\) being funded for Congressional campaigns.](#)

[Understanding Our Slavery](#) is both a book and series of one-page visual overviews of concepts hidden from the public by inter-generational organized crime that has been controlling the flow of information in society. Their “Propaganda Matrix” includes control of the government, government schools, scouting, intelligence agencies, military and police training, and a weaponized media system of 6 companies running hundreds of subsidiaries to give the population the illusion of choice and diversity-of-opinion while propagandizing, deceiving, and distracting us from the reality of our tax slavery and authoritarian control. These [one-pagers](#) are designed to be printed out and shared but with accessible PDF versions with active hypertext links. We have an 8GB Flash Drive/Dropbox called: [The Liberator](#) with additional evidence of government and media criminality.
